experience

Architect & Project Manager - *KOH Architecture PLLC* | Jackson Hts, NY

Architect & Project Manager - June 2019 - present
Designer & Project Manager - January 2016- June 2019
Designer - June 2015- december 2015

Manage multiple projects simultaneously through all phases of design; including feasibility analysis, zoning analysis, SD, DD, CD and CA. Assist in management of firm operations, contracts and client billing.

Freelance Design Consultant | Long Island, NY; New York, NY

September 2014 - present

Consulted with private developers & homeowners to produce renderings, feasibility analysis, existing conditions drawings, and drafting services.

Design Intern - *KOH Architecture PLLC* | Little Neck, NY

May - August 2013, 2014

Worked with architects and clients to develop design and construction drawings, renderings, and architectural models. Produced drawing sets from site measurements. Coordinated furniture fabrication and selection.

Design Intern - *H2M Group* | Melville, NY

June - August 2011, 2012

Assisted project architects with site measurements, CAD drafting and editing, permit filing & submission, as well as other administrative duties.

volunteerism

Contributor - *National AIAS Freedom By Design Task Force* | National

August - December 2012

Appointed to committee by National AIAS President to help analyze, evaluate, and shape the program and direction of Freedom By Design in various architecture schools across the nation.

Director - *AIAS Syracuse Freedom By Design* | Syracuse, NY

January - December 2012

Directed a team of students in using our architecture skills to provide design and construction services to the financially, physically or mentally disabled. We aimed to gift our clients with freedom, dignity and comfort. Led a board of ten student-leaders in new fundraising, social outreach and design exercise initiatives. Pioneered relationships with new organizations. Part of design, administrative and build teams on the **Play Perch**.

Invited Speaker - *AIAS National Leadership Conference* | Washington DC

July 2012

Invited to deliver a presentation and Q&A for attendees from across the nation at the AIAS's annual leadership conference in Washington D.C.
